Left Betty Lang, and Carroll Locke

Relative of Alice Allen Initiated at Cal-Riverside

As Delta Psi chapter blew out its first birthday candles at its first Founders' Day, they had just initiated Carrol Day Locke, a grand niece of Alice Allen Brant and the 18th member of her family to become a member of Kappa Alpha Theta.

Carroll's grandmother, Lou Allen Baker was Alice Allen's sister and a Theta at DePauw. Carroll's mother Ruth Baker Day was also an Alpha chapter Theta.

Carroll Locke is a friend of Betty Whitehead Lang, Beta Psi, McGill. Betty Lang serves on the Advisory Board of Delta Psi. She and Suzy Monninger Clem Gamma Sigma, San Diego State, who works with Carroll on the Y.W.C.A. Board, presented her name as an alumnae initiate. Grand Council approved her initiation as a special initiate.

Carroll Locke was born in Kiev, Russia while her father was an International Y.M.C.A. officer there. She and her twin sister were repatriated, and she grew up in Eagle Rock, CA and graduated from Occidental College where her father was a professor of sociology. Her mother was a professor of German at USC. Her husband Francis P. Locke is a newspaper editorial writer, now retired. Carroll's academic career included teaching at the high school level and a part time post with the University of California at Riverside English department library. Her chief interests now include activities connected with board position in the Riverside Symphony Society, Y.W.C.A., and the Congregational Church. The Lockes have two daughters and a son.

College Chapter Initiation Year

THE THETA CONNECTION

Each year hundreds of young women entering college with the idea of becoming a member of a sorority, do so labeled, "legacy," whether they like it or not. If a rushee happens to be a daughter, granddaughter, or sister of a Theta, she will not be able to avoid the label, for in our system of membership selection a legacy has high priority, and informing a chapter on who their legacies are is intended to help the chapter and help the rushee. The problem arises when there are more Theta legacies than a chapter can pledge due to quota systems and good chapter balance. We would like to think that all legacy stories have happy endings. That is not the case. Continuing education of the value of fraternity membership, an understanding and acceptance of the dynamics of rush, and expectations that are not based on pledging one particular group will help to increase the number of happy endings.

The following letters are anonymous, but they illustrate both sides of the coin.

Dear Jennifer,

On the eve of your initiation into a Greek fraternity, I wanted to share my delight and pleasure with you. I know how pressured you felt when you went through rush and subsequently dropped out; after all, a mother, 2 well-loved aunts and 2 cousins is a heady legacy! The fact that you held out quietly but firmly to join the group of your choice makes me even more proud. It was a selection that suited you and they are richer for it. The fact that it is not the group which I chose many years ago is unimportant.

The name of the Greek group is not as important as the space in which you can grow and make strong bonds that will last; this is what the fraternity system should be all about. You sensed this and moved wisely and well.

My love,
Mom

Dear Mrs. Brehman,

How does it feel to be a Theta alum and watch three daughters go off to different colleges (all with Theta chapters) and end up with no Theta daughters? . . . Dreadful!! Each of us mothers feels our daughters are outstanding. I was even willing to admit in my more rational moments that my daughters were well above average—but they were Theta legacies and I assumed that would give them an advantage during rush. WRONG!! Fortunately, one of my daughters was not cut but chose to pledge another group and is happy. But the other two were cut. One of them even tried the following year and was cut again—by my own chapter! Yes, I'm disappointed and sad and bitter! I have severed my ties with Theta forever because I just can't face being reminded of my legacies' rejection. It hurts!

These letters were received by Carol Brehman, member-at-large, Grand Council, and Director of Membership Selection.

Dear Mrs. Brehman,

Our chapter is one that has more legacies going through rush than we can possibly pledge. This ever-increasing number of legacies makes it very difficult for the legacies and the chapter.

In 1978, with a quota of 50, we received 47 recommendations on legacies alone, and pledged 24 of them. The previous year, out of 44 recommendations received on legacies, we pledged 23.

We feel that a strong and healthy chapter is made up of about half legacies. Our present chapter of 187 members has 95 legacies. Out of 47 officers in the chapter, 25 are legacies.

Legacies are invaluable to our chapter, as they seem to have a special insight into the fraternity system and generally have proven to be strong members who provide effective leadership which is essential to the chapter's success and stability.

As the number of rushees and legacies increases each year, it will be critical for us to give more careful consideration to the choosing of new members. This is a difficult situation for us, since we are not only concerned for the chapter's well-being by striving for a balanced membership of legacies and non-legacies, but we also value our legacies and the outstanding support we receive from our alumnae.

Another point to be made is that some rushees are not exclusively Theta legacies but are legacies to other groups on campus as well. Although we try to pledge as many legacies as we can, being a part of any group in the Greek system is an honor and a pleasure.

Dear Mrs. Brehman,
 Being a double legacy with a mom and a sister who are Thetas has added a special touch to my four years as an active Theta. (Having four also a Theta adds a little something as well.) It meant that rush during my freshman year was more anxiety-filled for my mom than for me. It made initiation one of the most special nights of my life with my mom and sister there had been through all the steps of being a Theta house a doubly important meaning. When I first pledged my mom wrote me a letter and ended it with, "and the greatest of these is love." Now I know what she meant. Loyally Tina

The DeMonds of Spokane. Center Ellomae, Beta Theta and her daughters Karen and Lisa, Alpha Sigma.

Dear Carol Brehman,

I have recently had a beautiful and profoundly moving personal experience which I'd like to share with you.

I was privileged to be present as my oldest daughter was initiated into Kappa Alpha Theta at my own college chapter. This initiation happened to be at the installation of one of our newest chapters. It was deeply meaningful to me to experience once again the magic and beauty of our initiation ritual and to have my young lady share in this. I have been very moved and more deeply touched by this than I could have imagined possible. And now my cup runneth over as just a few days ago, my second daughter was pledged to this same group.

Theta was very important to me during my university years. I was a proud member and actively involved. But I honestly had not expected that it would continue to be so relevant and rewarding in my later life.

And now a fine daughter has chosen to follow this same path! I feel the pull of roots, the chain that links us, the tie that binds.

Dear Mrs. Brehman,

Legacies are particularly cherished by us because we are a small chapter and legacies are a strong factor in maintaining the precious heritage of Theta. We feel that legacies are special and should be given a great deal of attention. Unfortunately, there are few legacies who come to our school or show an interest in the Greek system. Last year was unusual because we had two legacies in—they are both now super Thetas. But, out of the past 4 years, we have had no legacies rushing and that makes us sad. We wish our sisters in the United States and Canada would keep an eye on Theta legacies and let us know if any plan to fly a kite our way. We need them! Beta Psi.

Judy Alexander Shares Insight on Chapter Scholarship Goals

Judy Kubly Alexander, Gamma Lambda, Beloit

Why is it that scholastic success becomes a habit with some chapters while others manage to maintain little better than average grades? Experience has taught us that there are no guaranteed techniques or formulas which will automatically produce high scholastic achievement. But experience has also shown that we live in an age that demands academic excellence and specialization in every field of endeavor. All fraternities generally include scholarship among their basic principles of belief. Some self-styled experts claim that scholarship is an individual matter and the fraternity can do little or nothing to affect the performance of an individual member. Some will go so far as to claim it is not the business of the fraternity to "meddle" with the scholastic performance of individual members. To be sure, scholarship is ultimately dependent upon individual responsibility, but Kappa Alpha Theta was founded on a belief that fraternity fellowship provides an excellent incentive to intellectual growth.

What is this intangible concept we call "highest scholarship?" Highest scholarship is simply each member and pledge achieving at a level consistent with her abilities. It is the acceptance of the need for intellectual growth and a desire to become an educated person. Marking systems used by most American colleges and universities make it possible to achieve high grades without becoming an educated person. This excuse is often used by students to alibi or attempt to justify low scholastic standing.

Scholarship requires the development and refinement of techniques and habits that allow one to make fuller use of personal abilities and resources. It is here the college fraternity not only has the right to "meddle," but has an obligation to its members to encourage the acquisition of these skills to enrich individual scholarship.

The necessary skills are learned most easily and

flourish most readily in the environment of the university community.

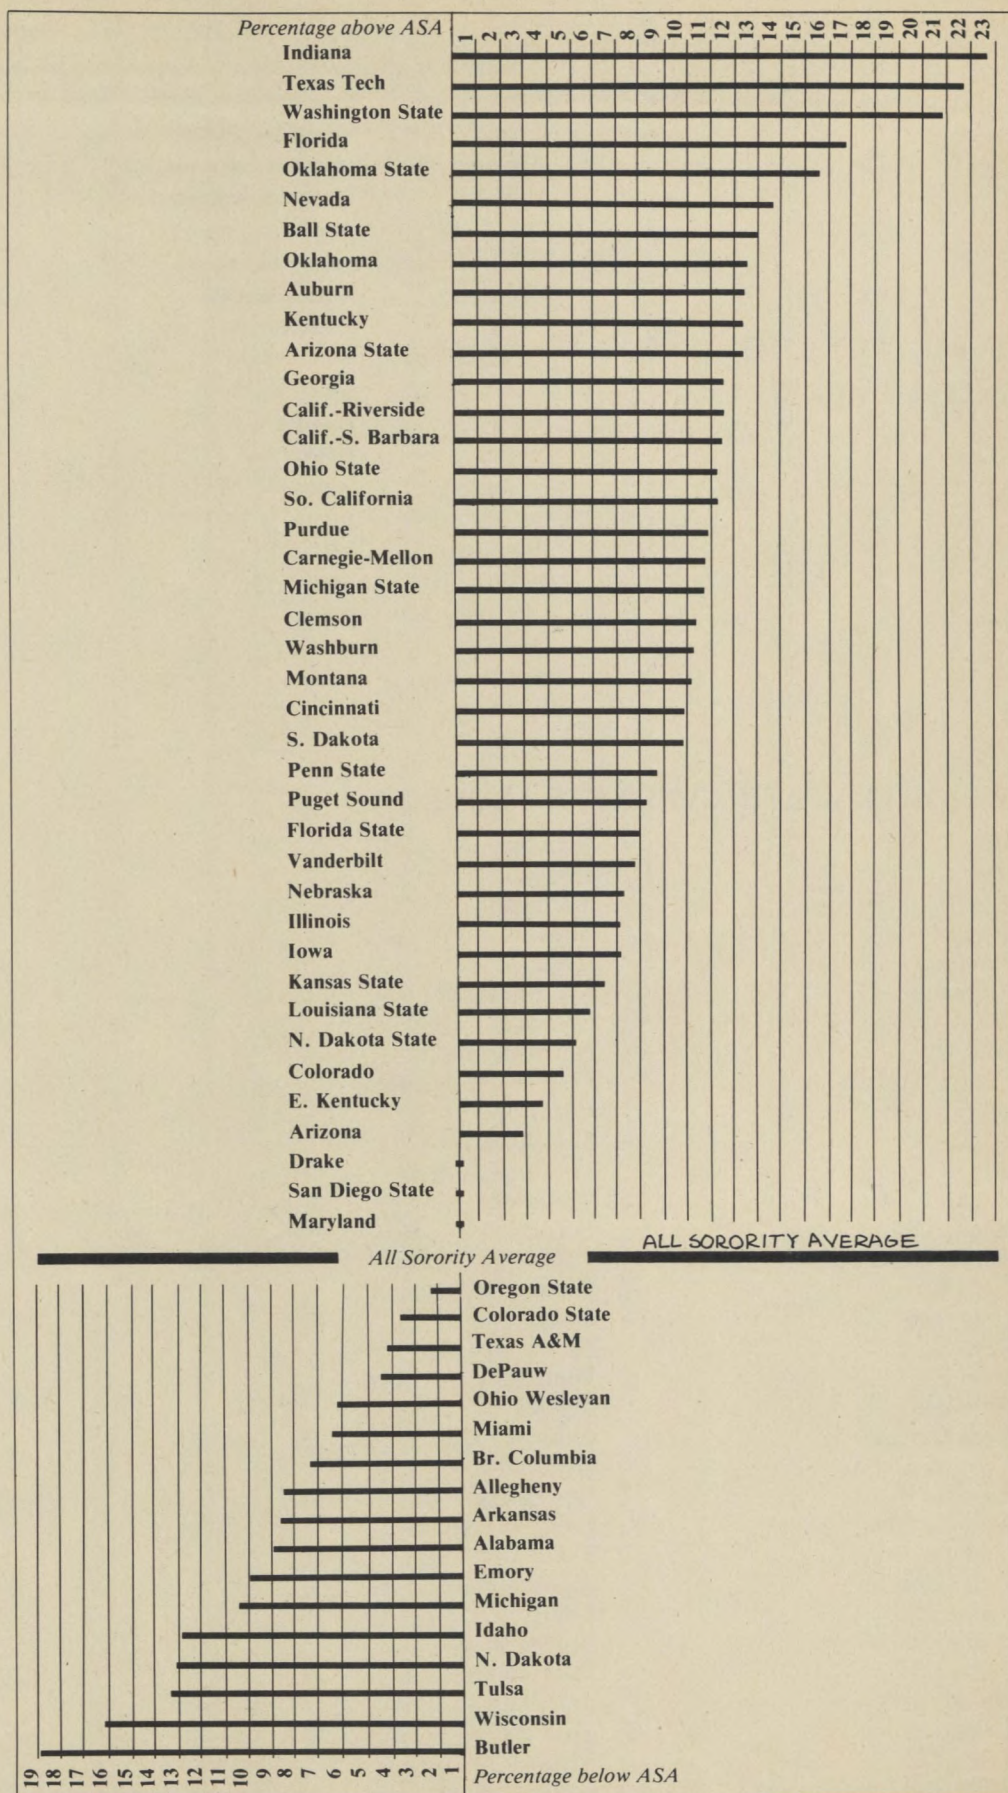

And it is here we discover why scholastic success becomes a habit with some chapters. Like any organizational activity, fraternity scholarship does not achieve its rightful place in the everyday affairs of the chapter solely because it has an inherent claim to that place. A scholarship program must be developed and specific responsibilities assigned and accepted. The formulation and administration of the scholarship program are vested in the scholarship chairman and members of her committee.

Accepting this responsibility is no small task. The chapter scholarship program must have as its goal to instill in each member and pledge a respect for the highest scholarship and to motivate her to achieve her potential. The chapter that is scholastically successful works toward this goal in many ways: it has a wholesome attitude that is respectful of academic achievement; it provides incentive to attain high scholarship and offers recognition of that attainment; it provides the atmosphere and the opportunity to study; it provides guidance and instruction in how to study more effectively; it offers tutoring to members when necessary; it offers a balanced social program, recognizing that relaxation and social development are also essential to becoming an educated person; it monitors the academic progress of members, realizing that the grade point average may not be the most accurate measurement of learning, but it is still the yardstick by which we are measured; it chooses new members wisely, selecting women who have demonstrated that high scholarship is important to them, but perhaps most important of all, the members of a chapter that is a scholastic success understand the importance of highest scholarship and have individually and collectively given top priority to the attainment of that goal.

Martha Brown of Tacoma, and Alpha Sigma chapter.

State Chairman for Western Washington Receives Commendation

Although Martha Gregory Brown, by her very nature is a low profile fraternity volunteer, her 20 years of devoted and capable service to the fraternity have not gone unnoticed. This year she was honored by a letter of commendation citing her long and valuable tenure as State Chairman for Western Washington. The letter of commendation from Grand President Marie Fitz was read at the Tacoma Founders' Day Luncheon.

Martha is a member of Alpha Sigma chapter, Washington State University and she has the enviable reputation of making herself available for Theta service when asked to do something for which she feels qualified. Details and records seem to appeal to Martha. She was the first financial adviser of Delta Iota chapter at the University of Puget Sound, a position she held for many years. She also served as treasurer of the Delta Iota Corporation, and secretary to the advisory board at UPS.

Martha Brown's work habits could be described as "cozy." She has no spare bedroom, no corner of the basement to call her own and her "office" is portable. It consists of a cardtable, placed in front of a low-burning fire in the living room fireplace. That's Martha's idea of a good, satisfying way to spend an evening at home, and when the fire burns out it is time to call it quits for the night. Summertime finds her office on Anderson Island, a ferryride across Puget Sound from Tacoma, where the Brown family has a summer cottage.

Martha's work as a state chairman no longer includes a filing system for keeping track of all the Thetas in Western Washington. Now that fraternity membership records are computerized it's a whole new ballgame

for this particular state chairman. She is very comfortable with the printouts furnished several times a year, and with this most valuable tool of the computer age, Martha accepts it as her ultimate resource, and "out with the files."

One of the services of a state chairman is to keep the alumnæ chapters and clubs updated as to Thetas moving into their areas. This is quite a job in our mobile society. In areas too small to have an alumnæ organization she sends current lists of Thetas in the general vicinity to the rec boards. This aid to current local membership rosters is simplified again, by the use of the printout. State Chairmen receive duplicates of all printouts and one is used to cut up and send on to alumnæ organizations.

Printouts are organized by zip code numbers and names are alphabetized within zip codes. What about lost Thetas? The really lost ones are the members who have never attempted to keep a current address in the national membership records. These Thetas are *not* receiving the *Magazine* which has the change of address label on the back cover. Then there are the Thetas who are simply "misplaced" . . . those who neglected to fill out the change of address form on the *Magazine* when they moved. Young alumnæ who are using their maiden name instead of their husband's name are also causing some identity problems for those who try to keep the records straight. We have a feeling that if anyone can cope with a few kinks in the system Martha Brown can. After all for 20 years she's been seeing that Theta mail gets in the right mail boxes from Bellingham to Vancouver and from Point Roberts to Northbend and that's her territory, Western Washington.

UNIVERSITY OF CINCINNATI HONORS JANE EARLEY

Excerpts from an article by Eleanor Adams in the
Cincinnati Enquirer

Service to her alma mater has been Jane DeSerisy Earley's *tour de force* for almost 40 years.

Yet, when she was told she was to receive the 1978 William Howard Taft Medal for Outstanding Achievement from the University of Cincinnati Alumni Association, her response was, "Why should they want to give it to me? Why not to someone who can help the University?"

Whatever her role, the philosophy of this Theta and member of Alpha Tau chapter has been, if a job is necessary, tackle it.

Family has come first. Volunteering has run a close second with the University of Cincinnati consistently foremost. Jane Earley is a former president of Better Housing League. For years she has been a leader in Girl Scouts, and she's held posts on the boards of the League of Women Voters and WCET-TV.

Her commitment to the University of Cincinnati has been tantamount to devotion since her appointment to the UC Board of Trustees in 1941. Then she was the youngest woman elected to a governing board of a major American university. When named to the board chairmanship in 1972, she was the first woman chairman of a leading University board. Through the years she's faced almost every phase of UC operations.

Her roots at UC are deep. Her mother graduated in 1904, her husband holds a medical degree from the UC School of Medicine and her two sons are alumnae of the school.

During World War II, Jane Earley led in creation of the university's first permanent Development Committee.

Of the change from a private institution to a state school Jane Earley admits, "I hated sentimentally the change in status. Practically it was the only way to go."

Fundamentally, she's as optimistic about today's University as she ever was. Jane Earley was previously honored by her alma mater when she was presented an honorary Doctor of Humane Letters degree in 1966.

Ginny Curtin

PSI THETA SPORTS REP

Ginny Curtin, Psi chapter, Wisconsin, has been appointed student representative to the Association for Intercollegiate Athletics for Women. She was appointed by the Director of University of Wisconsin Women's Athletics.

Ginny is a junior from Leawood, Kansas, majoring in sports medicine. Next season she will be playing her fourth year as a varsity goalie in women's field hockey. This year the junior stalwart helped her team to a 16-3-2 record. Coach Nancy Kristof calls Ginny one of her steadiest performers.

Ginny is also beginning her second term as treasurer for Psi.

Left, Lissa Bradford, center toastmistress Ellen Hofstead, Ann Lauterbach.

Nashville Honors Two Prominent Hometown Thetas

Nashville Theta alumnae celebrated the 75th anniversary of Alpha Eta chapter at Vanderbilt, highlighting Founders' Day this year. They also pulled a surprise tribute to two of the chapter's most distinguished members . . . Lissa Luton Bradford and Ann Shull Lauterbach.

Lissa Bradford is the immediate past Grand Vice-President, college program. Ann Lauterbach is presently serving as Grand Vice-President, finance. Besides their overlapping careers as national Theta officers, there are other amazing parallels in their Theta lives which date back to Vanderbilt days where Lissa was a year ahead of Ann in Alpha Eta chapter. Both were named "best pledge" in their respective classes. In 1960 Lissa Bradford was one of eight Phi Beta Kappas in the Alpha Eta graduating class. The next year, Ann Lauterbach was one of five Thetas who became members of Phi Beta Kappa.

Following graduation Lissa Bradford's community service centered on mental health and she became president of local and state mental health agencies. At the same time Ann Lauterbach pursued a business career with IBM and became the first woman in the Chicago area to be a marketing representative for retail systems for IBM.

Both Lissa and Ann served as advisory board chairman for the nearest college chapter . . . Lissa at Vanderbilt and Ann at Northwestern. Each became a college district president, serving with distinction before being elected to Grand Council.

Getting Ann Lauterbach from Chicago to Nashville by devious means for the surprise presentation provided some uneasy moments for the program planners. Lissa and husband Bill have two teen age daughters while Ann and Larry Lauterbach have a son and daughter in the pre-school set.

House Addition Underway

by Paula Burkes

"And they huffed and they puffed and they blew the house down."

Nobody is going to blow the Theta house down at Oklahoma State University in Stillwater—not even the Big Bad Wolf!

Though the house is currently missing an entire right wing caused by the purposeful destruction of both its living and TV rooms, the building is holding together, not with concrete and nails but by the unity of the members of Beta Zeta.

Since plans were drawn up last fall for the remodeling and addition to the chapter house, the Beta Zeta Thetas have been "roughing it." This meant moving girls into dorms and apartments. For those remaining in the house it meant patiently withstanding the faulty heating system and continual flow of construction workers—RIGHT DOWN THE HALL!

Although the members are giving up quite a bit under the circumstances, they are excited about their new house. With the remodeling, the chapter can house an additional 23 girls, increasing living capacity to 90.

The addition is scheduled for completion in August. Included in the project is a new chapter room, with the old one to be used for a snack kitchen for Thetas and guests. The ground floor living room will have walls knocked out to allow for greater spaciousness, and a guest bedroom and bath will also be on that level.

Kathy Jewell and her friends in the Himalayas.

VOLUNTEER IN NEPAL

Excerpts from Mt. Vernon, Ohio News

Kathy Jewell, Gamma Upsilon, Miami of Ohio, recently returned from Nepal which is a monarchy in the Himalayas bounded on the north by China and east and south and west by India.

Kathy spent three months volunteering her time to help the remote village areas along with the Dooley Medical team. She is working as a flight attendant for American Airlines in San Diego. The Dooley Foundation is a non-profit organization dedicated to the prevention of disease through immunization programs and public health education. The program was started by the late Dr. Tom Dooley who worked in Asia to help the Asian people.

Nurses take a year and a half leave to carry on Dooley's work and are being helped by airline volunteers like Kathy Jewell, who takes a three month leave without pay to help.

"My basic job was teaching health education to the village people," said Kathy. "The Nepalese people are uninformed about the rudiments of sanitation, cleanliness and nutrition.

"We are teaching people the basics," she said, "such as the importance of building and using latrines, and of washing fruits and vegetables before eating them. The most difficult task was countering rumors and superstitions about diphtheria, pertussis, and tetanus immunizations to be given to three-month to five-year old children. Most of the Nepali believe Americans think their country is overpopulated and are trying to render their children sterile with the injections."

The airline attendant pointed out the Nepalis eat only two meals a day, both consisting of thin lentil soup, cooked rice, and curried vegetables.

She said they are extremely interested in learning about the United States and the English language. In her free time she sat down with a few children and in her limited Nepali taught them English words. They were eager students.

"One of the most amazing aspects of this experience is that now I have real friends of another culture and I can't wait to go back and visit them."

A Memorial to Albertine James

To honor the memory of Albertine James, Omicron, the Los Angeles Alumnae Chapter has named a scholarship fund in recognition of her many contributions to Kappa Alpha Theta. The Albertine James Scholarship Fund will benefit the two Theta college chapters located in Los Angeles . . . Beta Xi at UCLA and Omicron at Southern California. The money in the fund is available to members of these two chapters on the basis of need and achievement. Grants from the fund are a gift, not a loan. The first award will be given this fall 1979, and will be for \$250.00, awarded annually.

Albertine James served 25 years as State Chairman for Southern California. At one time her area extended from Santa Maria to San Diego, and her files contained 6,000 names. It is a fact that more Thetas live in California than in any other state.

Theta was a most important part of Albertine James life. She frequently presented the Scholarship Pin to Omicron and helped in the kitchen at Beta Xi rush. The success of the collegiate pot-luck suppers was largely her doing. She would arrive with her large meat loaf and immediately take over in the kitchen.

Albertine received many well-deserved awards, one of which was given by the Southern California Federation several years ago, designating her "The Ideal Theta Alumna." Two years ago the Los Angeles Alumnae presented her with a special gift for the many hours she had contributed to her fraternity.

The Albertine James Scholarship is the final salute to a good friend and a great Theta.

Theta Returns to Connecticut

One of the positive indicators on the yardstick of fraternity well-being is the opportunity and ability to recharter chapters that had been in the disestablished category. Having once relinquished a charter, a chapter regains active status in the fraternity only after a decision is made by Grand Council to recolonize. The criteria for reestablishing a former chapter are the same as those for extending to a campus for the first time: adequate interest in fraternities as evidenced by the necessary number of rushees, support of the university and the active interest of alumnae in the area. Given those favorable circumstances, a new chapter's chances for success are good.

Caring and lots of hard work go hand in hand in rebuilding a Theta chapter. Gamma Zeta was welcomed back on the Connecticut campus at Storrs January 27, 1979. Eighteen new members were initiated by Grand President Marie Fitz. Installation luncheon and charter service followed initiation. New Thetas greeted new Greek friends at the Panhellenic tea on Sunday. Jan Auwood Holwaty was chairman for the installation weekend. Ann Burr, Gamma Pi, Iowa State is the resident counselor with the new chapter.

Impressions at Gamma Zeta

by Laura Rohmann, editor Chi chapter

"From dawn until dusk, the day was filled with Theta, Theta, Theta. I was even singing Theta songs in my head as I lay in bed that night," said Linda Jones, Chi chapter, Syracuse University.

The day was January 27, 1979, Founders' Day and also the day of the re-chartering of the Gamma Zeta chapter, University of Connecticut.

Three members of Chi and our traveling consultant, Jennifer Polhemus, made the 6½ hour trip to Storrs, Ct. for this "once in a lifetime" event.

Meeting such women as Grand President, Marie Fitz, Grand Vice President Marjorie Schnacke and Executive Secretary Nancy Weess (just to name a few), who are so prominent in Kappa Alpha Theta, was a "big kick" for our sisters. One sister admitted that it finally made the names she had learned for her pledge test become real.

Arriving in the picturesque New England area with expectations of an initiation ceremony of the utmost perfection, we were a bit relieved by the comfortable atmosphere created by those who had performed the ceremony many times.

The speech by Nancy Keith, council member and former college district president in our district during the installation luncheon was quite moving to the members of Chi. Louise Nicholas, president of Chi called the speech "absolutely beautiful," while Linda Jones stated that a wish Mrs. Keith made for Theta, for smooth sailing with a few waves to keep us aware and seaworthy, is something that has stuck in her mind.

When we view some other chapter's beginnings, we come to further appreciate the things which we have already. Our chapter house and the strong Greek system which backs us, things which make our functions as a sorority so much easier, are things to which the Gamma Zeta members are still looking forward in their future.

However, such fresh beginnings can also teach us to look beyond our material assets. Katy Murray, another Chi member stated, "They have a different concept of a sorority. Here, we often forget and think of our sorority as just a place to live. There, they think of it as a group of girls with a common interest."

Perhaps though, we gained our most valuable knowledge from the alumnae. Said Linda Jones, "To see all those concerned alumnae, made us seriously believe that Theta is for a lifetime."

Theta Concern

COLLEGE CHAPTERS CARE AND SHARE

Collegians have some novel fund-raising ideas and often enclose letters explaining how they raised their contributions to the Foundation.

The 1978 pledge class of **Gamma Phi** chapter, Texas Tech, held Tupperware parties for the collegians and alumnæ and sent their profits to the Foundation. They reported an unexpected bonus to their "fun and simple project" was that the pledges were able to become better acquainted with "our super alumnæ."

Beta Theta chapter, Idaho, skips dinner one Friday each month and sends the money saved to the Foundation.

Gamma Omega chapter, Auburn, names a member who has done an outstanding job in her office or duties, "Theta of the Month," and sends a donation in her name to the Foundation.

Beta Theta members weigh in after giving up Friday night dinner to benefit Foundation.

FRIDAY FAST FOR FOUNDATION

At Beta Theta chapter at the University of Idaho, we are not only trying to lose weight, but also trying to donate something special to the Kappa Alpha Theta Foundation. That's why, on the first Friday of every month we go without dinner, and send the money we save to the Foundation. There the money is distributed to scholarship and leadership programs, as well as the Institute of Logopedics.

The tradition started a year ago when service chairman, Jeannie Ryan suggested the idea. It found much support with our chapter, and we have been faithful to the practice ever since.

On the average we save around \$30 from each meal which we send to the Foundation. We're not quite sure if anyone has lost weight with this new "diet" plan but we are hopeful. Besides, it is a nice feeling to know that our contribution, no matter how small, is helping others.

Monie Smith, editor

Pictured at the Beta Omega chapter house, Colorado College, are Theta Nancy MacGregor and John Huff, Colorado Springs elementary student. Thetas hosted a party to present the \$1000 check, a Community Involvement Project grant from Kappa Alpha Theta Foundation, which will help Volunteer Action to fund cultural events, part of a program designed to improve the academic and social skills of underprivileged children in the community.

KAPPA ALPHA THETA FOUNDATION

Suite 400, 801 Davis Street
Evanston, Illinois 60201

Dear Theta,

Thank you for your response to the annual *Keep Appreciating Theta Fund*, a project sponsored by Kappa Alpha Theta Foundation. The Foundation was established in 1961 to enable members of Kappa Alpha Theta Fraternity to support their scholastic, philanthropic, and leadership programs more effectively. Projects vary from time to time with the changing interests of our members and the needs of others. The enclosed brochure describes our current projects, service to fraternity members and outreach to community activities.

Nearly all the Foundation income comes directly from the members of our Fraternity. A wide variety of fund raising events are sponsored by Alumnae Chapters and Clubs and by College Chapters to help support Foundation programs and projects. In addition to annual contributions to the *Keep Appreciating Theta Fund*, special gifts are frequently received from individual Thetas.

- MEMORIALS for members and non-members alike are promptly acknowledged by cards to those designated by the contributor.
- HONORARY GIFTS are a thoughtful way to pay tribute or to give special recognition to persons who would derive pleasure in knowing that a gift in his or her name would help provide education for the gifted, the needy, and the handicapped.
- LIFE MEMBERSHIP in Kappa Alpha Theta Foundation is accorded those who make a cash gift of \$1000.00 or more, donate property of like value, assign life insurance benefits of at least \$1000, or make such a bequest in a will filed with the Foundation. Cash gifts may be paid in a lump sum or in annual installments of at least \$100.00.
- BEQUEST GIFTS can be property or money. Regulations governing bequests are set by the Tax Reform Act of 1976 and the various state laws. Your own attorney could advise you of the proper procedure.

All contributions to Kappa Alpha Theta Foundation are, of course, tax deductible.

Because of the enthusiastic support of both collegiate and alumnae Thetas, dreams have become realities for many worthy recipients. Theta appreciates your interest and thanks you for your continued and generous support.

Loyally in Theta,

The Trustees
